| Assignment no 1 Math 101 |
|--|
| Question No 1: |
| Solve the inequality |
| |
| And write the solution in the form of intervals. |
| Solution. |
| |
| |
| |
| |
| Question No 2: |
| Find the value p for which the line will |
| Have slope 3 Have y- intercept 7 Be perpendicular to line Intercept 7 |
| Solution. |
| |
| 1) Have slope 3 |
| Solution |
| |
| Answer: |
| 2) Have y-intercept 7. |
| Solution: |
| |
| |
| Answer. |
| 3) Be perpendicular to the line |
| |
| Solution: |
| |
| Answer |
| |
